SCHEDULE 1 – Child Abuse Definitions

Child Abuse is the mistreatment of a Child or Young Person that:

- causes, is causing or is likely to cause any detrimental effect so that a Child's or Young Person's physical, psychological, or emotional wellbeing; or
 - does, or is likely to, endanger that Child's or Young Person's physical or emotional health, development, or wellbeing, whether through a:
 - single act, omission, or circumstance; or
 - series or combination of acts, omissions, or circumstances, and includes:
1. **Physical Abuse** occurs when a person subjects a Child or Young Person to application of physical force, which may cause injury intentionally or inadvertently as a result of physical punishment or the aggressive treatment of a Child. Physically abusive behaviour includes, but is not limited to:
 - (a) shoving, hitting, slapping, shaking, throwing, punching, biting, burning, kicking; and
 - (b) harmful training methods or overtraining where there is the potential to result in damage to a Child's physical development.
 2. **Emotional or Psychological Abuse** occurs when a Child does not receive the love, affection, or attention they need for healthy emotional, psychological, and social development or are exposed to violence/abuse against other Children or adults. Such abuse may involve:
 - (c) repeated rejection or threats to a Child/Young Person;
 - (d) constant criticism, teasing, ignoring, threatening, yelling, scapegoating, ridicule, intentional exclusion, continual coldness, and rejection;
 - (e) Bullying and Harassment;
 - (f) harmful training methods or overtraining where there is the potential to result in damage to a Child's or Young Person's physical, intellectual, or emotional wellbeing and development.
 3. **Sexual Abuse** occurs when an adult, or a person in authority (i.e., older, or younger but more physically or intellectually developed) involves a Child or Young Person in any sexual activity. A child cannot provide consent, therefore even if 'consent' is given, it still constitutes sexual abuse.

Perpetrators of sexual abuse take advantage of their power, authority, or position over the Child or Young Person for their own benefit. It can include making sexual comments to a Child/Young Person, kissing, touching a Child's/Young Person's genitals or breasts, oral sex, or intercourse with a Child/Young Person.

Sexual exploitation is a form of Sexual Abuse and occurs when Children or Young People are forced into or involved in sexual activities that are then unlawfully recorded in some way, or recorded without the consent of one or more parties, or used to produce child sexual abuse material. Such material can be in the form of photographs or videos, whether published or circulated on the internet or social media. Encouraging a Child/Young Person to view pornographic videos, websites, or images, or engaging a Child/Young Person to participate in sexual conversations over social media or otherwise is also considered sexual exploitation.
 4. **Neglect** is the persistent failure or deliberate failure or denial to meet a Child's or Young Person's basic needs. Child Neglect includes the failure to provide adequate food, clothing, shelter, adequate supervision, clean water, medical attention, or supervision to the extent that the Child's/Young Person's health and development is or is likely to be harmed. Types of neglect include physical, medical, emotional, educational neglect and abandonment.
 5. **Exposure to Family Violence** is any abusive behaviour used by a person in a relationship to gain and maintain control over their partner or ex-partner. It can include a broad range of behaviour that causes fear and physical and/or psychological harm. If a Child/Young Person is living in a household where there have been incidents of domestic violence, then they may be at risk of significant physical and/or psychological harm.

Annexure A: Responding to Child Abuse Allegations

You must ACT.

As a person involved in the Association you play a crucial role in protecting Children. You must follow the four actions set out below when responding to any Child Abuse allegations.

Action 1 - Responding

If a Child is at risk of immediate harm you must ensure their safety by:

- Calling 000 for medical and/or police assistance to respond to urgent health or safety concerns;
- Administering first aid, if required;
- Separating at-risk Child/Young Person and others involved;
- Identifying an appropriate contact person for any on-going liaison with the Police.

If there is no immediate harm go to Action 2 below.

Action 2 – Reporting

If you suspect, on reasonable grounds that a Child/Young Person is or is at risk of being abused and/or neglected, you must report it to the police and/or the relevant State/Territory child protection agency.

If the alleged Child Abuse is occurring in a Relevant Organisation, it must be documented on the Report Form found at (insert link to SIA form).

You must also report internally to your designated contact in your sport, who then needs to report to the Integrity Unit, CEO and Board.

Action 3 – Contact

You must contact the police and/or the relevant child protection agency to determine the information that may be shared with parents/guardians, and who should lead this contact (i.e., police, child protection department or Relevant Organisation representative). This could include advice:

1. Not to contact the parents or guardians in circumstances where they are alleged to have engaged in the abuse.
2. To contact the parents/guardians and provide agreed information as soon as possible.

Action 4 - Support

- Support should be provided to any Child/Young Person that has experienced abuse.
- It is important that the person providing support to the Child/Young Person does not attempt to provide support which is outside of the scope of their role.
- Support should include maintaining a calm open manner when listening to any allegations and disclosures, while avoiding seeking detailed information or asking leading questions.
- This information needs to be well documented and shared with appropriate sport's designated contact.
- Further support for the Child/Young Person, relevant adults and others involved may be required, including a referral to wellbeing or healthcare professionals and or the development of a safety plan.

Annexure C: Recruitment and Screening

These recruitment and screening requirements have been developed to provide a fair, safe, consistent, and comprehensive recruitment process across our sport. Our sport takes child protection seriously and ensures that the organisation recruits personnel that are suitably qualified and committed to providing professional, safe, and enjoyable programs and services to Children.

1. Child-Related Positions

- 1.1. All positions within our sport (employees and volunteers) will be assessed (new and existing) using Appendix 1: Position Assessment Checklist.
- 1.2. Positions identified as 'child-related' will require the successful applicant to be cleared by the relevant authorities as a person suitable to work with Children.

2. Position Descriptions

- 2.1. Developing appropriate selection criteria for a position is a valuable first step to reducing the risk of appointing someone who poses a child safety risk.
- 2.2. Examples of appropriate selection criteria may include: 'Must have experience working with Children.' 'Must be able to demonstrate an understanding of appropriate behaviours when engaging with Children.'

3. Advertising

- 3.1 All positions identified as child-related will include the following statement in the position description and any advertising: *{Sport Organisation} is committed to protecting Children and Young People from harm. We require all applicants that will work with Children to undergo an extensive screening process prior to appointment.*

4. Interviews

- 4.1 All applicants for child-related positions are required to attend at least one interview, preferably in person or on a videoconference (e.g., Zoom etc.).
- 4.2 During the interview, questions regarding the applicant's suitability to work with Children must be included. Refer to Appendix 2: Interview Requirements and Sample Questions.

5. Working with Children Checks

- 0.1 Working with Children Check (WWCC) laws aim to prevent people who pose a risk from working with Children as paid employees or volunteers. WWCC laws are currently in place in all Australian states and territories.
- 0.2 These laws require individuals involved in areas such as sport and recreation to undertake a check to determine their suitability to work (in a paid or volunteer capacity) with Children.
- 0.3 Relevant Organisations must meet the requirements of the relevant state or territory WWCC laws. Specific state and territory requirements can be found here: <https://aifs.gov.au/cfca/publications/pre-employment-screening-working-children-checks-and-police-checks/part-b-state-and>
- 0.4 All personnel that require a WWCC will supply a copy of it to, or be validated by, the organisation making the appointment.
- 0.5 Relevant Organisations may not engage a person who does not have a satisfactory WWCC in the relevant jurisdiction(s).
- 0.6 It is a serious breach of the Child Safe Policy if an individual:
 - (a) who has convictions that would make them ineligible to be granted a WWCC, is appointed to a child-related position in our sport; or
 - (b) continues in their position if they have been charged or convicted of a crime that would make them ineligible to be granted a WWCC.
- 0.7 Relevant Persons are required to report any criminal conviction or charge that indicates that they may present a potential risk to the Children to whom they help deliver programs or services, such as illegal drug possession or use, gun crimes and assault including adult sexual assault.

6. National Criminal History Record Checks

- 6.1. Depending on the relevant jurisdictional legislation a Relevant Organisations may require the preferred candidates to have completed a 'national criminal history record check' (also known as a 'police check') where the candidate does not otherwise meet the jurisdictional threshold to apply for and obtain a WWCC.
- 6.2. A criminal history does not automatically preclude an applicant from being appointed unless their criminal history suggests that they may pose a risk to Children. If there is information relevant to the employment decision, the applicant will be provided with an opportunity to respond to the contents of their police check (if they wish to do so).
- 6.3. The decision to appoint or not appoint an applicant because of a police check result, along with the rationale for that decision, must be communicated to the applicant by the Relevant Organisation.
- 6.4. A copy of the police check must not be retained. The original must be destroyed in a secure manner on completion of the recruitment process. If the applicant is appointed, a record of the date and certificate number of the police check should be recorded in their personnel file.

7. International Criminal History Record Checks

- 7.1. Any applicant who has resided overseas for 12 months or more in the last ten years must obtain an international criminal check.
- 7.2. Some countries will not release information regarding an individual for personal or third-party purposes. Where police records checks cannot be made, reference checks must be conducted with at least two referees that personally knew the individual whilst they were residing in the other country.
- 7.3. The Relevant Organisation must inform the applicant that referees will be asked whether they have knowledge or information concerning the applicant that would adversely affect the applicant from performing the job, including any relevant criminal offences. The credentials of persons acting as referees must be verified and can include previous employers or government officials).
- 7.4. Overseas applicants should not commence until this process is satisfactorily completed.

8. Monitoring compliance

- 8.1. Relevant Organisations will ensure that all personnel in child-related positions have a current WWCC as specified in state and territory legislation: <https://aifs.gov.au/cfca/publications/pre-employment-screening-working-children-checks-and-police-checks/part-overview>

9. Reference checks

- 9.1 The Relevant Organisation will conduct a minimum of two reference checks for the preferred applicant to gather additional information about the applicant's suitability to work in the role for which they have applied.
- 9.2 The selected referees must:
 - (a) be able to provide information relating to the applicant's suitability to work with Children;
 - (b) have known the applicant for at least 12 months;
 - (c) not be related to the applicant;
 - (d) be able to vouch for the applicant's reputation and character.

Please note: Written character references are not sufficient unless also followed up and verified through direct contact.

- 9.3 Referees will be asked directly about any concerns they may have about the applicant working with Children. Refer to Appendix 3: Reference Check Requirements and Sample Questions.

10. Qualification and registration checks

10.1. Educational or vocational qualifications, or professional registration will be verified for the preferred applicant for the position, if applicable.

11. Minors

11.1. If a person under the age of 18 is appointed to a child-related position, the Relevant Organisation must:

- (a) comply with the relevant WWCC legislation;
- (b) undertake appropriate screening (interviews and referee checks);
- (c) ensure that they are aware that they are bound by the Child Safeguarding Policy, Child Safe Practices and the obligations associated with working with Children; and
- (d) obtain information about any pre-existing relationships, especially where the Child-applicant interacts personally with another Child participant.

Appendix 1: Position Assessment Checklist

Step 1 - Exemptions (for certain positions only – not activities)

In addition to child-related employment legislation, all states and territories have legislation that requires people who wish to register in certain occupations (e.g. teachers, doctors, or childcare workers) to be screened for criminal offences. Where professional registration requirements require screening, certain persons are exempt from the WWCC.

To check relevant exemptions please go to: <https://aifs.gov.au/cfca/publications/pre-employment-screening-working-children-checks-and-police-checks/part-b-state-and>

Regardless of the exemption of a WWCC, before engaging the candidate into the position the Relevant Organisation

must undertake all other specified screening requirements.

If the position is **not exempt, please move to Step Two.**

Based on your responses to Step Two & Three, identify the inherent risk of the position/activity using the table below.			Action
LOW	Nil contact	The position / activity does not have contact or work with children (i.e., you answered NO to all questions in Steps Two and Three). The Relevant Organisation does not require the activity to be supervised or the person to be on restricted duties.
MODERATE	Contact with Children	The position / activity involves or may involve contact with children (i.e., you answered YES to one or more questions in Step Two). These measures are to be in place until a copy of the WWCC is provided to management. Appendix 2: Interview Requirements and Sample Questions

- The interview process is a very important step in selecting the right people for your organisation and in identifying any people that may pose a risk of harm to children.
- An open-ended style of behavioural-based questioning will give insights into the applicant's values, attitudes and understanding of professional boundaries and accountability.
- All applicants should be informed during the interview that referees will be contacted as part of any final selection process.

Questions that MUST be asked

- Would you please tell us about your beliefs and values in relation to working with children?

- Would you please tell us about your professional experience, competencies, and qualifications in relation to working with children?

- How would you handle a child that is behaving in a manner that is disruptive in a group setting?
- How do you think your peers, supervisors and referees would describe the way you work with children?

- Information that the referee will not provide
- Information that differs from the applicant's account
- Evasive or convoluted responses
- Referees that would not re-hire the applicant
