Scoring & Timing

- The home team is the team placed first (1st) on the draw.
- Each school must supply a scorer & timer for each game. They must sit together, and scores checked regularly as well as at EACH quarter with the umpire. If a scorer is unavailable, then a player must be removed from the court each quarter to act as the scorer for that game.
- The home team (first named team on the draw) is required to time the quarters (10 Minutes). The away team is required to time the quarter breaks (2 minute - quarter and three-quarter time breaks & 3 minute - half time breaks) & any injury time (30 seconds per injury).
- The score card must be signed by the captains and umpire/s then handed to the Venue Co-ordinator immediately after every game.
- In a disputed score, after checking the scorecard and checking centre passes, no agreement can be reached then the score on the home team's card is taken as correct.
- Both teams are to fill out the players' names clearly printed on the back of their own scorecard and are responsible for handing the cards into the Venue Coordinator at the end of each game.
- Venues are responsible for keeping all score cards until the end of the season. If any school protests about a player not being qualified, playing in a particular grade without permission or a correct score, then the scorecards will be used to refer back to for this information.
- If scorecards are not filled in correctly by the end of the round, the infringing team may incur a forfeit loss for that round.

 - Netball – score margin capped at twenty (20) goals
 2. Score capping will not be implemented in the first four (4) rounds, however if a team gets regraded up or down then scores for that team will be referred back to the capped scores for

their first four (4) games only.

3. If a team is beating their opposition by a large margin, the winning team should use their discretion in implementing Fair Play for the remainder of the game or until the margin reduces to a reasonable one. This could include some of the following suggestions:
 - a) Allowing the losing side to take every centre pass until they score a goal and/or the margin is less than fifteen (15)
 - b) Changing the team around so that players are playing out of their normal positions
 - c) Rotating the stronger players off the court at the quarter breaks
 - d) Removing the seventh (7th) player and continuing play with only six (6) players on court for as long as the winning team feels it appropriate to do so

Forfeits:

- The forfeiting school is responsible for contacting the opposition school with regard to a forfeit by Twelve Noon (12.00pm) on the Friday of that week, as well as contacting the Venue Coordinator, referees and SACSSGSA.
- Failure to notify correctly will incur a \$ 75.00 forfeit fine as well as the team being charged the double game fee for that round.

After this time, no disputes or amendments to the Premiership Tables will be considered.
- For all Semi Finals or for 1st V 2nd Grand Finals, if the game is a draw at the end of official time, then extra time, of 3 minutes each way will be allocated to gain a clear result.
- If at the end of the extra time the game is still a draw, then play will continue until a team is winning by two (2) goals.
- No matches in the FINALS rounds are to be rescheduled, unless there are extenuating circumstances and both schools involved, and the Executive Officer agree upon an acceptable solution.
- All games must be played at their allocated venues unless approval is given by the Executive Officer to change the venue.
